

## We are looking for a new teammate!

### This is us

Movora is a global company focused on the advancement of animal health. Rooted in veterinary orthopedics, Movora's foundation is built on three decades of advancements in animal mobility. Movora utilizes legacy expertise to deliver a broad range of innovative products by bringing together key leaders in veterinary medical technology to deliver progressive solutions.

Movora unites well-established brands (KYON, BioMedtrix and Veterinary Orthopedic Implants and many more). Collectively, we now serve more than 50 markets around the world.

To strengthen our position in the veterinary orthopedics market and to accelerate the success of our fast-growing company, we are looking for a talent to complement the marketing team.

## Event Manager & Communications Specialist 80-100%

### Your mission

You will be responsible for developing, managing, executing and follow-up on all marketing events for Movora Europe.  
You will also be responsible for the execution of global marketing communication activities for KYON.

### Your main responsibilities will be:

- Accountable for the concept development and overall organization and execution of Movora's participation at European events
- Planning, developing, and executing innovative concepts for marketing events of various sizes (from large international congresses with booth space to local meetings) ensuring an impactful customer experience
- Coordinate with different regional and global stakeholders like marketing, sales and education to achieve the desired outcome
- Ensuring that all event activities reinforce the brand positioning and key messages
- Manage and execute KYON's communication calendar through social media, email marketing and print
- Order and manage all marketing collaterals needed for regular communications, field visits, product launch, congresses, and education events

### Your qualifications, skills and professional experience

- Degree in Marketing or Communications or equivalent
- At minimum 3+ years relevant experience in Marketing and/or Event Management required; medical/ pharmaceutical field preferred
- Budget-management skills required
- Strong communication skills and digital acumen with proven experience managing digital communication channels
- Strong organizational, negotiation and interpersonal skills with the ability to resolve issues with a mature, calm, and flexible approach
- Strategic, structured, and well-organized mindset

- Excellent verbal and written communication in English, additional languages are an enormous plus
- Up to 10% travel

## We offer you

- A diverse field of activity in a dynamic emerging company with a refreshing spirit and strong customer focus
- An international team that appreciates open, cooperative exchanges and supports each other
- We foster an environment where everyone thrives for better solutions and can achieve their full potential
- Conditions of employment in line with the market and opportunities for further personal development
- Part-time remote work possible

We are looking forward to receiving your full application including an informative motivation letter by email to
