

This is us

Movora was founded in 2020, when BioMedtrix, KYON and VOI have joined forces to form the leading global veterinary orthopedic group. Since then, several additional companies and brands have joined the group. Collectively, we have now a local presence in 10 countries and serve more than 50 markets around the world.

Movora is a global company focused on the advancement of animal health. Rooted in veterinary orthopedics, Movora's foundation is built on decades of advancements in animal mobility. The group utilizes legacy expertise to deliver a broad range of innovative products by bringing together key leaders in veterinary medical technology to deliver progressive solutions.

Movora embodies a philosophy of always caring. Anticipating consumer needs and offering reliable solutions, alongside education, provide our customers value beyond product. We are proudly forward thinking. We prioritize reinvention, individuality, and always making the next leap in innovation.

Designer / Mechanical Engineering Student (**semester break summer 2022**)
