

We are looking for new teammates!

This is us

Movora was founded in 2020, when BioMedtrix, KYON and VOI joined forces to form the leading global veterinary orthopedic group. Since then, several additional companies and brands have joined the group. Collectively, we now have a local presence in 10 countries and serve more than 50 markets around the world.

Movora is a global company focused on the advancement of animal health. Rooted in veterinary orthopedics, Movora's foundation is built on decades of advancements in animal mobility. The group utilizes legacy expertise to deliver a broad range of innovative products by bringing together key leaders in veterinary medical technology to deliver progressive solutions.

Movora embodies a philosophy of always caring. Anticipating consumer needs and offering reliable solutions, alongside education, provide our customers value beyond product. We are proudly forward thinking. We prioritize reinvention, individuality, and always making the next leap in innovation.

To strengthen our position in the veterinary orthopedics market and to accelerate the success of our fast-growing company, we are looking for a

Junior Finance Analyst 80-100%

We are seeking a motivated and detail-oriented Junior Finance Analyst to join our dynamic finance team. This role is ideal for someone early in their finance career who is eager to develop their skills in financial analysis, reporting, and forecasting within a global environment. In this role you report directly to the Global Finance Director in Zurich.

Your mission

- Assist in the preparation and analysis of financial reports, budgets, and forecasts
- Support the global finance director in conducting variance analysis and identifying trends
- Contribute to the monthly, quarterly, and annual financial close processes
- Participate in ad-hoc financial analysis and projects as required
- Collaborate with cross-functional teams to gather and validate financial data
- Maintain and improve financial models to support business decision-making
- Assist in ensuring compliance with financial regulations and company policies

Your skills and professional experience

- Bachelor's degree in finance, Accounting, Economics, or a related field
- 2-3 years of experience in financial planning & analysis, preferably in a multinational company
- Strong analytical skills with attention to detail
- Proficiency in Microsoft Excel; experience with financial software (e.g., Microsoft Dynamics Business Central) is a plus
- Excellent communication skills, both written and verbal
- Ability to work effectively in a team and independently
- A proactive attitude with a willingness to learn and take on new challenges
- High resilience and likes to be flexible and agile
- Fluent in German and English

We offer you

- A diverse field of activity in a dynamic emerging company with a refreshing spirit
- An international environment, a motivated team that appreciates open, cooperative exchanges and supports each other.
- The opportunity to take responsibility, help shaping and implementing solutions.
- Conditions of employment in line with the market and opportunities for further personal development
- The well-being of our employees is important to us
- Take part in several fun team events
- Flexibility to do Home Office
- The office is conveniently located in Central Zurich, providing easy access to public transportation, making your daily commute hassle-free

Join our team at Movora and be part of an organization dedicated to improving the quality of life for companion animals through innovative veterinary orthopedic solutions. If you are a creative and driven Junior Finance Analyst, looking to make a difference in the field of veterinary orthopedics, we encourage you to apply and contribute to our mission.

We are looking forward to receiving your informative application including a motivation letter per email to patricia.kaelin@movora.com
